Dear homeowner or occupier,

As part of Surrey County Council's commitment to improving roads and pavements, Bisley Camp Road, Connaught Road, Dawney Hill and Gole Road, Pirbright have been selected for pedestrian crossing improvements and drainage works.

The work will take place Monday 17 February until Friday 21 March – Monday to Friday 8am to 5pm and Saturdays 8am to 1pm.

The work will take place in two stages. From 17 February to 22 February, there will be a 24/7 road closure in place from the bridge to 30m south of the junction with Gole Road. Traffic between Dawney Hill and Gole Road, and between Bisley Camp Road and Connaught Road will be maintained using temporary lights.

From 23 February to 21 March, a four-way temporary light system will be in place for 24 hours.

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff on site if you need help – they are keen to deliver the work with minimal disruption to you.

It is essential to keep the road free from parked vehicles to enable the work to proceed as planned.

The work is weather dependant and can be delayed by bad weather or other factors. Please look at our information boards on site for date changes.

We thank you for your patience while we carry out these works and apologise for any inconvenience caused.

A Surrey County Council officer has hand-delivered this letter to your property today, if you have any further concerns, please do not hesitate to contact us via our website www.surreycc.gov.uk or you can reach us on 0300 200 1003.

Yours faithfully,
